Dear Ritchie. Your previous  
note, came from the heart  
and I answer it in kind.  
When I saw you, so dear,  
so understanding, so com-  
pletely at one to the

utter confusion, in balance  
as to age, I knew you  
were that Special One to  
me -  
I hope you and Mester will  
love me - us - will know  
we have run the amount of  
young lives - that we so under-  
stand: Do much love - Mommie
